**Make your point  
in Keynote!**

Customizable and adaptable  
templates to make each  
presentation unique.

The image shows a laptop screen displaying a collection of infographic templates. The templates include various types of maps (City Maps, Country Maps), data visualizations (Diagrams, Data Visualization), and charts (Pie Charts). The templates are presented in a 3D perspective, appearing to float above the laptop screen. The background is a solid blue color.
